1994 YEARBOOK

The

CONSERVATIVE CONGREGATIONAL

CHRISTIAN CONFERENCE

THE BIBLE — We believe the Bible, consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.

THE TRINITY — We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Ghost.

THE LORD JESUS CHRIST — We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

REDEMPTION — We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.

THE HOLY SPIRIT — We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.

THE RESURRECTION — We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.

SPIRITUAL UNITY — We believe in the spiritual unity of all believers in Christ.

THE SOVEREIGNTY OF CHRIST
Head of the Church.
Lord of the Conscience.

THE UNITY OF CHRIST'S CHURCH
Redeemed by His death.
Empowered by His life.

THE LIBERTY OF CHRIST'S CHURCH
In the fear of God.
In the limits of Love.

THE URGENCY OF CHRIST'S CHURCH
To evangelize the world.
To edify the Believer.

— TO GOD ALONE BE THE GLORY —

From the Conference President

"God commendeth His love toward us, in that, while we were yet sinners, Christ died for us." Romans 5:8

The Apostle Paul wrote to the Romans, "God commendeth His love toward us." The word translated as "commendeth" is rich with meaning.

One meaning is "to introduce." When we are desperate, lost in our sins, without hope in life, God introduces His love to each of us. God's love accepts us, sinners that we are, and lifts us out of despair into a new and glorious life.

Another meaning of the word is "to stand nearby with." God stands near with love. In our daily struggles and heartaches, God stands beside us and offers love to carry us through. We need but ask and we will receive.

A third meaning of the word translated commendeth is "to hand over to someone's care." God "hands over" to our care His love and redeeming salvation.

What a tremendous responsibility we have as Pastors and Churches of the Conservative Congregational Christian Conference to not only aim to conserve the best of our heritage as Congregationalists, but, as members of the family of God, to daily support one another in unity and the true bond of our Lord's redeeming love. Let this book of names and important information be a means of sharing God's love with each other.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of Conservative Congregational Christian Conference
St. Paul, Minnesota

We have audited the balance sheet of the Conservative Congregational Christian Conference (a non-profit organization) as of December 31, 1993, and the related statement of support, revenue, and expenses and changes in fund balance and statement of functional expenses for the year then ended. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Conservative Congregational Christian Conference as of December 31, 1993, and the results of its operations and changes in its fund balance for the year then ended in conformity with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The following is a summary of significant accounting policies followed in the preparation of these financial statements:

Basis of Accounting
The Conference maintains its accounting records on the basis of cash receipts and disbursements. For financial statement purposes, however, both beginning and year-end balances have been converted to the accrual method of accounting.

Inventory
Forsee Publications maintains an inventory of books and other materials it purchases for resale. Inventories are stated at the lower of cost or market on a first-in, first-out basis.

Property
Property is recorded at cost and depreciated over the estimated useful lives of the individual depreciable assets by the straight line method.

Maintenance, repairs and minor renewals are charged to expense while major renewals and betterments are capitalized.

Allocated Expenses
Expenses by function have been allocated among program and supporting services classifications on the basis of estimates made by the Conference's management.

2. Office Facilities

In 1983 the Conference purchased an office condominium located in St. Paul, Minnesota at a total cost of $151,268.00. This property is currently being used by the Conference as its headquarters. The purchase price was funded entirely through contributions and required no additional financing.

CONSTITUTION AND BY-LAWS OF THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE

(Revised 1993)

PREAMBLE

In gratitude to Almighty God for the gift of salvation through our Lord Jesus Christ; and believing that, to the glory of God, the task of the church of Jesus Christ is two-fold, i.e., the evangelization of the world and the edification of the saint; and believing further that there is a definite need among congregationally governed churches of historic Biblical persuasion for an association to assist them in the performance of said task; We, therefore, as autonomous churches declaring our unqualifed belief in the entire Word of God written, humbly invoking the guidance of the Holy Spirit, have covenanted together to form such an association.

Article I—Name

The name of this organization shall be: THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE, hereinafter called the Conference.

Article II—Purpose

1. To deepen and extend the fellowship of our churches.
2. To encourage a steadfast, Biblical witness by our churches.
3. To facilitate co-operation and counsel among our churches with regard to evangelism, edification, Christian education, stewardship, missions, church extension, Christian action, women's and men's fellowships, youth activities, the pastoral ministry, and other related concerns.
4. To preserve and promote the Scriptural principles of the autonomy of the local church and the freedom of the believer in Christ.

Article III—Statement of Faith

1. We believe the Bible, consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Ghost.
3. We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of all believers in Christ.

Article IV—Statement of Polity

1. We believe that Jesus Christ is the Head of His body, the Church universal, and of each local church.

2. We believe that each local church is in itself a complete church, and therefore autonomous and possesses all rights and responsibilities of the church by the Holy Spirit as set forth in the Holy Scriptures.

3. We believe that Jesus Christ exercises His authority in each local church by the Holy Spirit and through the Holy Scriptures.

4. We believe that each local church is ultimately answerable only to Jesus Christ, and not to any association, conference, council, synod or any other ecclesiastical body.

5. We believe that it is proper and beneficial for each local church to seek fellowship and counsel of other such local churches.

Article V—Membership

1. Membership in this Conference shall be attained by the voluntary association of churches, ministers or individual laymen who find themselves in full accord with the Statement of Faith and Statement of Polity (Articles III,IV) of this constitution, and with the general principles of this Conference as set forth in the Constitution and By-laws. Conference membership, whether of church, minister or laymen, may be subject to review by the ensuing Annual Meeting of the Conference. Ministerial membership shall be accorded on the basis of the approved ministerial standards of the Conference, as set forth in the By-laws of this Constitution. Churches are not necessarily barred from membership because of other affiliations so long as they adhere to the Statement of Faith and the Statement of Polity and the workings of the Conference. Individual Lay Membership may be held only by members of congregationally governed churches which are not members of this Conference. In the event that a non-member church joins this Conference, the individual lay membership of any of its members ceases.

2. A church, minister or individual lay member may withdraw from membership in this Conference at any time by its or his own action, and will be removed from the membership roll when written notice of such action is given to the Chairman of the Credentials Committee.

3. A church, minister or individual lay member may be dismissed from membership in this Conference for continued inactivity, at the decision of the Credentials Committee and the ratification of the Conference.

4. In the event that there is received a written statement that a member church, minister or individual lay member has departed from the standards of faith and practice set forth in this Constitution and By-laws, the Credentials Committee shall make a careful investigation of the matter. If the charge appears to the Committee to be justified, and is received in accordance with I Timothy 5:19 from at least two or three witnesses, then the Committee shall report the matter to the Conference for appropriate action. The Credentials Committee shall file their report in writing with the Recording Secretary of this Conference and the party accused at least thirty days prior to the annual or special meeting at which the report is to be considered. The right to appeal to the Conference by the party accused is presupposed.

Article VI—Associated Relationships

1. The Conservative Congregational Christian Conference encourages the forming of local fellowships, conferences, or associations, of churches and ministers who are in accordance with Article V, Section 1, of the constitution and who are in sympathy with the statements of faith and polity of this Conference.

Fellowships, conferences, or associations, whether state or area, may be recognized in this associated relationship upon request to and approval by the Credentials Committee. Such action will be subject to review by the ensuing Annual Meeting of the Conference.

Recognition by the Conference does not bestow membership in this Conference upon churches or ministers of the respective groups. Churches, ministers, or individual laymen, may attain voluntary membership according to Article V — Membership, of this constitution.

Fellowships, conferences or associations, recognized by this Conference, will be represented in the Conference business meetings by the delegates of their member churches which are also members of this Conference.

Article VII—Meetings

1. ANNUAL MEETING. There shall be an Annual Meeting of the Conference at such time and place as determined by the Executive Committee, unless the same are specifically designated by the Annual Meeting of the previous year.

2. SPECIAL MEETINGS. These may be called at the direction of the Executive Committee, or upon written request of members representing one-fifth of the total membership of the Conference.

3. REPRESENTATION. Churches becoming members of the Conference shall be entitled to representation at various meetings of the Conference by the pastors and two lay delegates who shall be members of that local church for the first 100 members or fraction thereof and thereafter one delegate who is a member of that local church for each 500 members or fraction thereof.

Voting privileges at Conference meetings shall also be extended to ministerial members who are without a charge, to individual lay members of the Conference, with the understanding that not more than one layman from any non-member church shall be entitled to vote, and to all Conference Officers and members of the Board of Directors.

4. PROCEDURE. The guide for parliamentary procedure in all meetings shall be Robert's Rules of Order, Revised, in all cases not covered by special rules of this Constitution and By-laws.

Article VIII—Officers

1. The elected officers of this Conference shall be:

a. A President, a Vice-President, a Recording Secretary, a Conference Minister, a Treasurer and a Controller.

b. The term of office for each of the above officers shall be three years, and for the duration of their tenure they shall be ex-offico members of the Conference Board of Directors with full voting rights.

c. The terms of the President and the Vice-President shall expire simultaneously; the following year the terms of the Conference Minister and the Controller shall expire; and the third year the terms of the Recording Secretary and the Treasurer shall expire.

d. The office of the Conference President and the Conference Vice-President shall be limited to one term, but following a one year lapse, their eligibility for re-election shall be restored. No Conference officer, except for the Conference Minister, may serve more than nine (9) consecutive years in Conference offices without a lapse of at least one (1) year between those offices.

2. The duly elected officers of the said Conference shall hold their office until their successors are chosen and installed in their stead which shall be at the Annual Meeting at which they are elected.

3. If for any reason an officer chooses to resign, a letter of resignation shall be directed to the President, who in turn shall call it to the attention of the Board of Directors, which Board will have the power to accept such a resignation between the meetings of the Conference. This procedure shall also be followed if any members of the Board of Directors choose to resign. In the event that the President resigns, the letter of resignation shall be directed to the Conference Minister, who shall present it to the Board of Directors for action.

Article IX—Board of Directors

1. The business of the Conference shall be conducted and the property of the Conference shall be managed by a Board of Directors, numbering not fewer than twelve nor more than thirty members, and shall include the elected officers of the Conference. The initial board having been elected in three equal groups, for one year, for two years, and three years, respectively, one-third of the membership of the Board of Directors (exclusively of the Conference Officers named in Article VIII who are ex-officio members of the Board with full voting rights) shall be elected annually for a term of three years, in future Annual Meetings of the Conference. No Board member may be elected to two full consecutive terms without a minimum of a one year lapse, after which eligibility will be restored. No Board member, elected to that position, may serve concurrently as a Conference officer. In the election of Board members, consideration shall be given to geographic representation and to representation from the Conference committees.

2. The Board of Directors shall establish an Executive Committee, to consist of the officers of the Conference. The Board may delegate to the Executive Committee such of its powers and authority as may be deemed necessary for the proper functioning of the Conference.

3. The Board of Directors shall fill any vacancy arising among the officers of the Conference, the Committees or in the Board itself, until the next Annual Meeting of the Conference at which time the Conference shall fill the vacancy for the unexpired term.

4. The Board of Directors shall have power to endorse a ministerial member of the Conference for the military chaplaincy upon the recommendation of the Credentials Committee. This endorsement is subject to review by the annual meeting of the Conference.

He may not be elected to the Board or a Conference office.

Associate members may serve on any committee with the exception of the Credentials Committee. They may not be elected to the Board or a Conference office.

The candidate will be disqualified by any habits or practices in his life which do not glorify God in his body which belongs to God, or which might cause any brother in Christ to stumble.

3. Every candidate for ordination is encouraged to first apply for Ministerial License.

4. This Conference recommends that any local church which calls an unordained man to its pastorate who does not hold a Ministerial License from this Conference allow a trial period of one year before proceeding with his ordination.

VII—Standards and Membership for Ministry

1. General Membership Information

a. A person who applies to this Conference as an Ordained Minister, Licensed Minister, Commissioned Christian Worker or Lay Preacher shall be required to provide a one-time application fee of an amount determined by the Board of Directors.

c. For applicants seeking Ordained Ministerial standing and having no previous relationship with this Conference, a one year waiting period shall be required. The Credentials Committee may grant a ministerial license in the meantime.

d. Prospective candidates for the ministry, the mission field, and other areas of service are encouraged to apply for Conference Care Membership.

e. Only an Associate Membership may be granted to those having their credentials and/or other membership in a non-congregationally governed body. This Associate

Membership will carry with it all the privileges of the Conference with the exception of holding office, serving on the Board of Directors or Credentials Committee, a committee chairmanship and voting.

f. Membership cards for Ordained Ministers, Licensed Ministers, Commissioned Christian Workers and Lay Preachers shall be issued annually on a calendar year basis following the return of the annual questionnaire and a gift of any amount to the financial support of the Conference. Refusal to contribute in this way to the financial support of the Conference for a period of two consecutive years will result in a review by the Credentials Committee and in dismissal should it be shown to be warranted.

Ordained Ministers, Licensed Ministers, Commissioned Christian Workers and Lay Preachers who are inactive in the Conference for a period of two years, during which time they do not answer Conference or regional correspondence or questionnaires; do not attend any Conference or regional meetings; and do not make any contact whatever with this Conference, shall be contacted if at all possible by the Credentials Committee to ascertain their interest in the Conference. If there is no response or no interest indicated, the names of such members may be recommended for removal from Conference membership by the Credentials Committee at the Annual Meeting.

g. Ordained Ministers, Licensed Ministers, and Commissioned Christian Workers who for a period of two or more years (during one year for Licensed Ministers) fail to exercise the functions of the ministry for reasons other than disability or retirement and who pursue secular employment with no apparent effort to serve as a pastor or in some capacity as a minister (i.e. beyond those activities ordinarily done by lay-persons) shall be questioned by the Credentials Committee as to the propriety of their continued standing as a minister or a Commissioned Christian Worker. If such persons persist in the neglect of their ministry and refuse to resign from Conference standing unless there are extenuating circumstances, the Credentials Committee may recommend, to any Annual Meeting of the Conference, removal from their membership status or transferral to Individual Lay Membership within the Conference. The right to request reinstatement upon a return to proper ministry is presumed.

2. Ordained Ministerial Membership

a. A Ministerial standing in this Conference shall require:

(1) A minimum academic attainment of a diploma from an accredited Bible institute or the equivalent in formal education or Christian service. However, this Conference considers a seminary training to be desirable.

(2) A vocational call to a specific place of ministry that involves the ministry of the Word.

(3) Acceptable ordination to the Christian ministry.

(4) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

(5) Membership in a Conservative Congregational Christian Conference church or a congregationally governed church.

b. Good and regular standing of ministers shall indicate that they do hold Conference membership and are not under disciplinary penalty as a result of charges against them.

3. Licensed Ministerial Membership

a. Ministerial license to preach conferring authority to perform the regular functions of parish ministry, including the solemnization of marriages where legally permissible shall be granted by the Conference upon recommendation by the Credentials Committee and shall expire with the closing date of the ensuing annual meeting of the Conference. Such license is renewable at the discretion of the Credentials Committee upon application to its chairman at least thirty (30) days before expiration of the license.

b. A Licensed Ministerial standing in this Conference shall require:

(1) A minimum academic attainment of a diploma from an accredited Bible institute or the equivalent education or Christian service. However, this Conference considers seminary training to be desirable.

(2) A call to a particular place of ministry.

(3) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

c. Licensed Ministerial standing shall be recognized as valid as long as the licensee is actively engaged in an appropriate form of ministry.

d. Under special circumstances, a student in seminary may be granted Licensed Ministerial standing while performing the functions of a parish ministry.

e. Licensed Ministerial standing is normally the first step to ordination and ordained ministerial standing. A license should be held for one year before seeking ordination.

4. Commissioned Christian Worker Membership

a. Persons who have been commissioned into a Christian vocation such as a missionary, tentmaking worker, mission executive or support worker, an editor of a Christian periodical, a director of Christian education, a director of evangelism, a minister of music, or those who give service within Christian non-profit agencies as a teacher, doctor, nurse, or social worker may be received into Conference membership as a Commissioned Christian Worker.

b. Commissioned Christian Worker standing in the Conference shall require:

(1) A minimum academic attainment of a bachelor's degree from an accredited college or university with proven competency in the chosen professional field. On-the-job experience may be considered as equivalency for formal training in certain cases.

(2) Acceptable commissioning by a local church into a particular Christian vocation. This Commission is to be granted after a close and particular examination of the candidate's:

(a) character and conduct
(b) physical, mental and education qualifications
(c) personal testimony of Christian experience
(d) motivation for seeking this standing

(3) An engagement or formal invitation to a particular position.

(4) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

(5) Membership in a Conservative Congregational Christian Conference church or a congregationally governed church.

(6) Since commissioning is to a particular vocation, if there is a change in vocation, there must be a recommissioning. If there is a change in church membership, then the new church must endorse the commissioning.

c. Persons called to such Christian vocation other than the ordained ministry and who are received into the Conference as Commissioned Christian Workers are entitled to all the rights and privileges of the Conference. This status does not grant authority to perform the regular functions of parish ministry, including the solemnization of marriages.

d. The Commission shall be recognized as valid as long as the Commissioned Christian Worker is actively engaged in the form of specific service to which he was commissioned.

5. Conference Care Membership

a. Prospective candidates for the ministry, the mission field, and other areas of service such as Christian education, church administration, ministry of music and similar areas, may be received under Conference Care for guidance in preparation. Under such care the enrollee may study the Conference Study Course. The enrollee shall have an annual personal conference with a member of the Credentials Committee or with some Conference representative appointed by them. A person who has been received under Conference Care is considered a member of the Conference under Conference Care and is entitled to vote at all Annual Meetings and special meetings of the Conference. His vote does not necessarily have to be included in the delegation from his home church, if that church is a member of the Conference.

b. Conference Care standing may be granted to candidates from foreign countries who are resident, and only for so long as they are resident, for study in the United States of America.

6. Lay Preacher

The Conference shall provide for the status of Lay Preacher upon the application of an individual to the Credentials Committee and shall be available only to lay members of the Conference. Such status shall be granted for the purpose of recognizing an active lay witness of an individual, but it shall not include the privileges of Licensed Ministerial standing such as authority granted by the Conference to perform the regular functions of a pastorate including the solemnization of marriages, and officiating at funerals, baptisms/dedications, and the Lord's Supper.

The status of Lay Preacher for the individual shall expire with the closing date of the ensuing Annual Meeting of the Conference and be renewable at the discretion of the Credentials Committee upon application at least thirty (30) days before the expiration of such status.

7. Individual Lay Membership

This membership shall be granted to members of congregationally governed churches which are not members of this Conference. Such Individual Lay Members shall be granted the full privilege of Conference membership in accord with the Constitution (Article V, 1 and Article VII, 3).

VIII—Seal

The seal of the Conference in use at the time of this Constitutional revision shall continue as the official seal of the Conference, and shall be used by having the same, or a facsimile thereof, impressed or affixed, or reproduced otherwise.

IX—Fiscal Year

The fiscal year of the Conference shall be from January 1 to December 31.

X—Unprocessed Applications

Churches, ministers, or individual lay members from non-member churches, whose applications for membership have been processed too late to be circulated to the entire Conference membership before the Annual Meeting, or whose applications are still in process, may be given the right to speak from the floor and/or the right to vote at the said Annual Meeting, by a majority vote of the assembled delegates.

XI—Amendments

These By-laws may be amended by the affirmative vote of two-thirds of the Conference members present and voting at an Annual Meeting or special meeting of the Conference, provided that in writing thirty days notice of the substance of proposed amendments to the By-laws be given to all members of the Conference. Upon adoption of amendments, the orderly numbering, lettering, capitalization and spelling of the By-laws shall be cared for by the Constitution Study Committee.

THE NATURE OF OUR FELLOWSHIP

STATEMENT

To include as brethren those with greatly diverse convictions in certain theological areas is not a weakness but a strength and in harmony with Biblical truths. The architects of the Congregational Way labored for the freedom to be ruled by God. This means that Jesus Christ alone is head of the church and Lord of the conscience. He directs His church through Scripture, speaking in this manner to officers and individual members.

This freedom requires an environment of unity and liberty, cultivated in the context of honestly differing theological viewpoints. Thus we must seek continually to maintain a true balance. To this end we recognize that as Congregational Christians we do not have to agree on everything to achieve Biblical respect and spiritual health. In the spirit of Acts 15, we seek to promote maximum freedom for the rule of God in our churches. This is the merit of the Congregational conscience.

We do not claim that the theological breadth of our conference today is a precise extension of all the doctrines of the Savoy Declaration of 1658. But we do consider it significant that Browne's "Statement of Congregational Principles" antedates Savoy by 76 years and that the latter was itself a modification of the Westminster Confession including a more flexible view of the role of creeds. According to these historic Congregational principles, each church is complete in itself and independent from every other. Thus, there is no appeal from the decisions of the local church.

Consequently, we believe that the Biblical fellowship offered by us today meets a need for fellowship among congregationally governed churches and is the outgrowth of the Congregational principles of 300 years ago. If those principles are seen as Biblical, then our current relationships deserve the name Congregational, for they appeal to the same ecclesiology. And, how relevant this is: we offer real freedom at a time when it is being lost almost everywhere else.

There is freedom in the 4C's today to believe and practice the strictest Reformed theology of our early fathers, as well as other essentially Christian theology which differs in certain ways from the Reformation perspective. Should either be denied in a forced unity, contrary to the ecclesiology of the original founders, we would no longer be fully Congregational.

CONCLUSION

Today we are faced with lawlessness and legalism not only in our society but in many Christian Churches. To maintain both freedom and unity is difficult, but worthwhile. The task of being a true Congregationalist was never easy but always a source of blessing.

CODE OF ETHICS FOR MINISTERS

In My Own Life

I will always devote time to seeking the will of God through reading the Scriptures and prayer.
I will endeavor to keep myself physically and emotionally fit.
I will consider the needs of my family as a sacred obligation before God.
I will seek in all ways to be Christlike in my attitude and conduct.

In Relationship to the Church

I will remember that I am called to lead, but also to serve.
I will never violate a confidence given to me.
I will be diligent in my duties as pastor, never lazy, but with God as my judge.
I will be Biblical in my preaching, presenting the whole counsel of God, speaking the truth in love.
I will strive to introduce men to Christ, and to build His church.
I will consider my call to the church a sacred responsibility and stand by the decision.
I will seek the unity of the Church and resist any attempts to divide.

In Relationship to Other Ministers

I will be a brother in Christ to my fellow ministers.
I will not seek to build my church at the expense of another church, nor my ego at the expense of another minister.
I will not speak disparagingly of either my predecessor nor my successor.
I will refrain from pastoral contacts with former parishoners except with the knowledge of the present pastor.

In Relationship to the Conference

I will recognize my duties to the larger fellowship of the Conservative Congregational Christian Conference, and seek to support through prayer and action its aims and objectives.

In Relationship to the Community

I will seek to be responsible in my personal finances.
I will seek to build a positive relationship with the community without sacrificing my ministry to the church.

CODE OF ETHICS FOR CHURCHES

The Christian Church is the Body of Christ and is destined to be His Bride. Inasmuch as every local church is an expression of the whole body it is needful for her to be committed to vigilance in all of her relationships:

In Relationship to Christ

Believing that Jesus Christ is the Head of the Church...

We will honor and exalt Him in all of our relationships and ministries.

We will keep ourselves free from all policies and practices which might tend to mar the beauty of the Bride of Christ.

In Relationship to Fellow-Members
Believing that the local church is an expression of the family of God...

We will promote unity among the members of the congregation, resisting all jealousy, rivalry, self-seeking and division which would disturb that unity.

We will "...make every effort to do what leads to peace and to mutual edification." (Romans 14:19)

In Relationship to Other Churches
Believing that the church is a universal body...

We will attempt to maintain honorable relationships with other churches in the community.

In Relationship to the Community
Believing that the witness of the church in the community affects the ministry of that church to the community and reflects on Christ, the Head of the Church...

We will endeavor to keep our dealings with agencies, businesses and individuals in the community honest and above reproach.

In Relationship to the Conference
Believing that our membership in the Conservative Congregational Christian Conference is not only a privilege but also involves responsibility...

We will fulfill our fellowship, ministry and financial obligations to the Conference to the best of our ability.

We will uphold the doctrines and principles of the Conference.

In Relationship to the Pastor and Other Leaders of the Church
Believing that the pastor and other spiritual leaders are shepherds of Christ's flock...

We will love, honor and submit to them as they, by example and word, watch over our souls.

We will support the pastor financially so that he may be able to meet his obligations without bringing reproach upon himself or us.

We will not allow anything among us that would undermine the pastor's ministry or rob him of the confidence of the church and the community.

We will endeavor to respond to all criticism dealing with the pastor, other spiritual leaders, or their families in an honorable manner, not tolerating subversive or clandestine meetings.

Whenever legitimate criticism or charges against anyone arises, we will follow Scriptural direction for church discipline, always with a desire for reconciliation and restoration and always making use of the cloak of love.

STATEMENT REGARDING THE CHARISMATIC MOVEMENT

PREAMBLE

Frequently the Board of Directors is asked questions regarding the position of the CCCC with respect to the Charismatic Movement and particularly the matter of glossolalia.

The Conference as a body would find it difficult, because of our congregational structure, to make a definitive policy statement. However, the Board of Directors wishes to present this simple statement as a product of its thinking and with the desire that the "Unity of the body" be maintained.

A STATEMENT

It is our conviction that the plain teaching of the New Testament is that the more spectacular sign gifts, i.e., tongues, healings and miracles, needed some degree of order that would prevent their indiscriminative use (I Cor. 14:40). It appears that the Apostle Paul taught that the more spectacular gifts were secondary to those that instructed believers in faith and morals and that evangelized non-Christians (I Cor. 12:28-31). Tongue speaking was certainly not forbidden (I Cor. 14:39), but intelligent exposition of the Word of God, along with instruction in faith and duty was definitely superior.

Therefore, brethren, we desire that in the life of our Conference there be neither evangelism on behalf of the spectacular gifts nor forbidding thereof. So that there be no confusion relating to our position, we give the following examples:

a. To use either the annual meeting or regional gatherings for the promoting of these spectacular gifts is not in order as it will engender division.
b. To use either the annual meeting or regional gatherings as platforms to antagonize brethren by denouncing these gifts is also out of order.

"That there should be no schisms in the body; but that the members should have the same care one for another." I Cor. 12:25.

CONCLUSION

We respect those brethren who hold to the view that the sign gifts were withdrawn when the canon of Scripture was closed. We also respect those brethren who hold that these same gifts are still among us today. However, we are firm in our belief that messages received by means of these gifts are not equal to the revelation of God in Holy Scripture.

Policy and Guidelines for the Credentials Committee Regarding Ministers who are Divorced

I. STATEMENT OF THE ISSUE

The presence of divorce in American life today together with the increasing incidence of divorce among the clergy confronts our Conference, and particularly our Credentials Committee, with the issue of ministers who have been divorced being granted admission and continued standing in the Conference. It is necessary, therefore, to set forth policy guidelines for the consideration of divorce situations.

A. SANCTITY OF MARRIAGE

It is an accepted fact in our Conference that the Scriptures are the standard by which guidelines should be determined. In this light the sanctity of marriage cannot be overemphasized. When asked His view on divorce, Jesus replied, "Haven't you read that at the beginning the Creator 'made them male and female' and said, 'For this reason a man will... be united to his wife and the two will become one flesh?' So they are no longer two but one. Therefore what God has joined together, let not man separate." (Matthew 19:4, Genesis 2:24)

God instituted marriage. It is not subject to the changing norms of society. God designed marriage to be a permanent union of a man and woman by which they are made one. God did not allow for divorce in his design. Marriage is a total commitment of two people to one another for life. It is a covenant of companionship.

In the light of Proverbs 2:17 and Malachi 2:14, marriage is a covenant relationship before God, and the breaking of a covenant of whatever kind is wrong. Sin is involved in every divorce. According to Malachi 2:16 God hates divorce. That is not to say that God hates people who are divorced, nor is it to say that everyone who is divorced is guilty of the sin that resulted in divorce. Some people are divorced by their mates against their will and in spite of their efforts toward preservation of the marriage. This raises the question whether divorce per se disqualifies a minister from continued standing in or acceptance into membership in the Conference.

B. SANCTITY OF THE MINISTRY

Even though it might be allowed that divorce in itself may not eliminate a man from the ministry, it must be remembered that, in the light of Scripture, the sanctity of the office of the ministry and the example of the minister cannot be overemphasized. Paul wrote to Timothy, "If a man desired the office of a bishop, he desireth a good work. A bishop then must be blameless..." (I

Timothy 3:1,2). The sacred nature of the office is emphasized by Paul when he says in I Corinthians 4:1, "Let a man so account of us, as of the ministers of Christ, and the stewards of the mysteries of God." To Titus he wrote, "A bishop must be blameless as the steward of God: not selfwilled, not soon angry, not given to wine, no striker, not greedy of filthy lucre; but a lover of hospitality, a lover of good men, sober, just, holy, temperate, holding fast the faithful word as he hath been taught. . ." (Titus 1:6-9). In other words, the life of a minister must be exemplary in every way because of the high office which he represents, "in all things showing himself a pattern of good works." (Titus 2:7)

Peter admonishes ministers to "feed the flock. . .taking oversight thereof. . .either as lords over God's heritage, but being ensamples to the flock." (I Peter 5:2,3), and Paul reminds ministers that "we are ambassadors for Christ," standing in Christ's stead. Because of the sanctity and high calling of the ministry, therefore, and because it places the minister before the Church and the world as a pattern of what Christian living should be, the divorce of a minister is an extremely serious matter. Even though the minister himself may be innocent of wrong doing, his divorce can have disastrous and far reaching effects on his congregation and his future ministry.

II. UNITY WITH DIVERSITY IN THE INTERPRETATION OF SCRIPTURE

At this point we must recognize that, within the unity of our Conference, there is diversity. We are united in our conviction that the Bible is God's Word and our ultimate authority, but there are areas of Biblical interpretation where our understanding differs. For example, we all accept the sovereignty of God but we have differences of understanding how God's sovereignty relates to man's freedom and responsibility. Likewise we unite in expecting the return of our Lord but we differ as to the sequence of events associated with His sure return. The same can be said regarding the charismatic gifts and the place of women in the ministry. In the same manner we agree on the evil of divorce but we do not all understand the teaching of Jesus and other Scriptures on divorce in exactly the same way.

A. UNEQUIVOCAL DISQUALIFICATION

There are members of our Conference who are strong in their conviction that any minister who is divorced for whatever reason is thereby disqualified to serve in the ministry and should not have standing as a minister of the Conference nor be pastor of a church. Paul's words, "The overseer (minister) must be above reproach, the husband of but one wife. . ." (I Timothy 3:2), are understood as requiring the disqualification of a divorced

minister. The situation is compounded if the minister has married the second time. The teaching of Jesus in Luke 16:18, Matthew 5:31,32 and Matthew 19:1-9 is taken by some to mean that, while divorce is wrong, an exception is allowed in the case of fornication, but the exception does not leave the innocent party free to serve in the ministry or to remarry.

B. FORGIVENESS AND RECONCILIATION

Some members of the Conference, however, hold other considerations, which they believe are also valid in the light of the Bible. For example, there is the principle of God's forgiveness and restoration. What shall we say of the man who was divorced before his conversion to Christ when he was made a new creature in Christ? If he had been guilty of sexual sin before becoming a Christian he would not thereby be ineligible for a call from God to the ministry. Paul was guilty of murder and blasphemy before his conversion but God forgave him and made him a minister. There are men who have been saved out of a life of immorality and debauchery who have become able ministers of the Gospel. Is the breaking of the marriage covenant a greater sin than pre-marital promiscuity? When God forgives sin He casts them behind His back (Isaiah 38:17). He casts them into the depths of the sea (Micah 7:19). He remembers them no more (Jeremiah 31:34), and He removes them as far as the east is from the west (Psalm 103:12). God forgives the sins we confess and cleanses us from all unrighteousness (I John 1:9). Some members of our Conference would say, "Yes, God does forgive and forget, but the divorced minister still should not serve in the public office of the ministry." Other members of the Conference would say, "When God forgives the truly penitent sinner, whatever the sin, he wipes the slate clean. Should we continue to call the man unclean and unworthy of service if God has pardoned him and made him clean? Is there any reason why God's assurances of forgiveness should apply to every other sin except divorce? Divorce is not the unpardonable sin."

C. RELEASE FROM THE MARRIAGE COVENANT

Consider also the case of the minister who has not been guilty of disruption of his marriage by unchristian attitudes and conduct which have driven his wife to seek divorce, and who has made every effort toward reconciliation and the saving of his marriage. If his wife persists in "putting him away" by divorce, he is in no way guilty of violating God's law. If both he and his wife are Christians, he should remain unmarried and continue to seek reconciliation according to I Corinthians 7:11. If he fails to do so, his eligibility to continue in the ministry is severely damaged if not destroyed.

If, however, the wife has proven herself to be an unbeliever in the above situation, according to I Corinthians 7:15 the minister "is not bound," and if he is not bound, he is free. He has been released from the marriage covenant. There is a parallel to this in Romans 7:2,3 where Paul declares that a woman is "bound to her husband as long as he is alive... But if he dies, she is released from the law and is not an adulteress though she marries another man." In Romans 7 the death of the husband terminates the marriage and in I Corinthians 7 the willful departure of the unbeliever terminates the marriage. The sense of I Corinthians 7 appears to be that a person who has sincerely sought to preserve a marriage but has been divorced contrary to his will and effort toward reconciliation is a free person. In such a case it is a valid conclusion of some that a minister should not be penalized and prevented from serving in the ministry solely because he has been divorced. Some ministers in such cases have continued to enjoy the blessing of God on their ministry.

D. LAWFUL - BUT NOT EXPEDIENT

Having said all this, we need to recognize that the traumatic experience of going through a divorce and the possible attitudes of a minister's present and future congregations may quite possibly make it very difficult, if not actually impossible, to carry on an effective ministry. The minister, the congregation and the Credentials Committee will do well to consider that while, in the view of many members of our Conference, it may be lawful for a divorced minister to continue to serve in the ministry, it might not be expedient. He might better devote his talents, training and experience to some service for the Lord other than the pulpit and pastoral ministry, such as writing, counseling or administration.

III. CONFERENCE RESPONSIBILITY

In the light of the above considerations, we must keep in mind that the Conference does not speak for the local church or for the individual minister or member of the Conference.

A. DETERMINATION BY THE LOCAL CONGREGATION

Every church determines for itself what its practice shall be regarding divorce. Every church has complete freedom and responsibility to make sure that the minister it calls to lead the congregation shall be in harmony with its own standards regarding divorce. In making referrals to churches seeking ministers, the Conference office shall always provide the full resume and record of a minister including his marital status. Churches may differ in their views of divorce, but we are bound together in our Conference by our common commitment to the heart essentials of our Christian faith as stated in our Articles of Faith.

B. ACCEPTANCE OF THE VARIOUS BIBLICAL INTERPRETATIONS

The views of our ministers vary in some areas other than the cardinal truths set forth in our constitution. In those areas where we differ the conscience or the individual minister is not compromised by the position expressed by the Conference in such areas as eschatology, the charismatic movement, women's part in the ministry, divorce, or any other area. On the other hand the Conference and the Credentials Committee must recognize that born-again Bible-believing, evangelical Christians and ministers within the Conference will have differing convictions which they derive from their understanding of Scripture.

We must make allowance for such varying convictions and make a place for the brother whose views differ from our own as long as he does not deny the fundamental truths of the Bible. We must also be careful not to impose the convictions of any one man, church or segment of the Conference on any minister, church or the Conference as a whole. In Christian love we must accept one another and respect the privacy of everyone's conscience before God.

C. OBLIGATION OF THE CREDENTIALS COMMITTEE

Finally, let it be said that the Credentials Committee is under obligation to exercise extreme care in considering the divorce of a minister of the Conference or one who is applying for membership. The Committee's actions must proceed prayerfully with compassion toward the individual and with due regard to the high standards of the ministry set forth in Scripture.

All who experience divorce shall enter a period of review. Unrepentant persons causing the dissolution of their marriage will be dismissed from ministerial membership in a manner consistent with the CCCC constitution and by-laws. Other ministers shall have their credentialed status suspended for a period of review, the length of which is determined by the Credentials Committee. I Timothy 5:22 gives caution regarding the hasty laying on of hands, a principle which should not only apply to the novice or those who newly apply for CCCC standing, but also to those who experience divorce while pursuing an active ministry within our fellowship. In taking this approach, we recognize that Conference actions do not bind a local church in its decision to continue a pastoral relationship with a divorced minister.

After this review period, the Credentials Committee will, upon request, examine or re-examine the general trends of ministerial personal fitness as outlined in I Timothy 3:1-7. Personal references from those who know the individual's current home situation will be sought. If the individual is "well thought of

by outsiders" then his credentials would be returned as a positive endorsement. It is believed that such a vouching process would prove to be both a source of encouragement for the individual and a source of confidence for churches that may consider this individual as a prospective candidate for pastoral office.

HOMOSEXUALS AND THE CHRISTIAN FELLOWSHIP

Our aim in the following statement is to combine theological thinking and Biblical commitment with contemporary understanding and compassionate pastoral concern.

1. God in His Holy Word plainly condemns the practice of homosexuality
   as an abomination in His sight (Leviticus 18:22).
   as a degrading and unnatural passion (Romans 1:26,27).
   as one that brings grave consequences in this life, and
   as a sin that, if persisted in, will exclude one from the Kingdom of God (I Corinthians 6:9,10).

Therefore, neither individual Christians, nor ministers of the Word of God, nor congregations of the Lord Jesus Christ, may take away from or lessen God's prohibition of and warnings against the practice of homosexuality.

Neither may they individually or collectively as responsible citizens in a free society, urge or concede that the State should give special protection or approval to this practice, or promote it as a matter of personal taste, free choice, or "sexual orientation." Homosexuals are not entitled to special treatment under the law. That would be tantamount of rewarding evil.

2. The Apostle Paul testifies that those once involved in homosexuality were among those who were washed, sanctified, and justified in the name of the Lord Jesus Christ (I Corinthians 6:11).

Therefore, individual Christians, ministers and congregations, understanding that all human beings are sinners, and that as Christians we have received God's mercy while helpless, ungodly and hostile to God (Romans 3:23;5:6,10), must warn against homosexual practices as from the mouth of the Lord (Ezekiel 3:17), and, at the same time proclaim forgiveness, cleansing, restoration, and power for godly living for all who repent and believe the Gospel (John 1:12;3:16; Romans 1:16;I Corinthians 6:11; Philippians 2:13).

We specifically renounce any unbiblical prejudice against persons who are homosexual simply because of their orientation, which is just one particular form of the same sinful orientation we all have. But we do believe that every expression of that orientation is sinful, just as every expression of adulterous desire is sinful, and we believe that all practicing adulterers and homosexuals should be called to repentance.

3. God desires that all mankind repent and come to a knowledge of the truth and be saved (II Peter 3:19; I Timothy 2:4).

Therefore, individual Christians, ministers and congregations, will compassionately and in love, proclaim the Good News of forgiveness and the admonition to go and sin no more (John 8:11) to those once involved in homosexual practices, admitting such into fellowship after confession of faith and evidence of repentance, as with all those who have sinned grieviously in other ways (I Corinthians 6:11). We counsel those homosexuals who do not experience full healing and reorientation to remain celebate, trusting the Holy Spirit to give a joyous and fruitful existence as is promised to believers who cannot experience marriage (Isaiah 56:3-5). Jesus repeats this promise (Matthew 19:12).

STATEMENT ON ABORTION

Preamble

Christians affirm that human yearning for reality and meaning can be satisfied only by the knowledge of and a relationship with a personal God who alone can change human nature and liberate from the bondage of self-indulgence.[1] Human worth is a consequence of being made by and in the image of a personal God[2]—who is sovereign over history and places us within the framework of God's continual acts in history.[3]

The dominant philosophy of this age opposes this world and life view and asserts the dignity and worth of people and their capacity for self-realization through reason apart from the supernatural and sovereign involvement of a personal God.[4]

Clear lines of confrontation between these two opposing faiths are not always easily discerned by the Christian community, both individually and corporately. Cultural conditioning, ignorance of God's revealed will and sin all mitigate against a clear perception of many ethical and moral issues. Nevertheless, we affirm the authority and witness of God's revelation in Scripture and the heritage of Church history regarding the dignity and sanctity of all human life and oppose anything that would blur or lessen its value.[5]

We humbly recognize the complex presuppositions, realities and implications of ethical/moral decision-making and confess our own sinful silence in failing to act where the lines of conflict are obvious.[6] We accept the challenge to confront the pragmatism of this age and seek to move away from past indifferences and the subtle seductive power of this age.[7] We, therefore, affirm that abortion on demand for reasons such as personal convenience, social adjustment, economic advantage, genetic defect, or physical malformation is morally wrong.[8]

STATEMENT

We believe that all human life is a gift from God and is therefore sacred.[9] The Lord has created all life sacred and cherishes all lives: including all those which have been marked by the effects of the fall of nature, resulting in physical and mental abnormalities.[10] We believe that God has told us, in Scrip-

ture, what our attitude should be towards the unborn.[11] Specific blessings have been conferred upon unborn infants, pre-eminently in the incarnation of Jesus Christ.[12] Scripture clearly states that God provided penalties for actions which result in the death of the unborn.[13] The fetus is not a growth or piece of tissue in the mother's body, nor even a potential human being, but a human life who, though not yet mature, is growing into the fullness of the humanity it already possesses.[14] The humanness of the fetus is confirmed by modern medical science. From the moment of conception a unique genetic code distinct from both parents is established, sex is determined and the only requirements for development into an adult human being are time and nutrition.

Thus, we affirm that the moral issue of abortion is more than a question of the freedom of a woman to control the reproductive functions of her body. It is a question of moral responsibility involving at least two human beings at different stages of maturity. Abortion transcends issues of personal, economic and social convenience or compassion. No woman gives birth to herself. She gives birth to a child that is a distinct body and personality from herself. Consequently, even if we agree that every woman has a right to do with her own body as she sees fit,[15] we cannot conclude that she therefore has the right to take the life of her child. However, in the rare situation when the life of the unborn child mortally threatens the equal life of the mother, the mother is not required to sacrifice her life.[16]

We believe that the Church is commissioned to declare and demonstrate this high regard for human life, the reality and complexity of the sinful human condition and God's forgiveness through grace and the redemptive work of Jesus Christ.[17] The community of Christian believers furnishes the context out of which this declaration and demonstration grow.[18] It is the responsibility of the Church to insist that society not adopt a policy that would deny the sanctity of human life and lead people to take life lightly. The Church must advocate the protection of the freedom of those who cannot protect themselves. The Church must therefore seek to protect the unborn child's freedom to live.[19] In addition, Christians must reach out to those who are confronted with the crisis for which abortion seems a solution with the offer of a biblical alternative, providing the practical care and compassion needed.[20]

CONCLUSION

The Gospel of Jesus Christ is the only adequate answer to the terrible spiritual, moral and social dilemma confronting the society that legalizes abortion and the parents contemplating abortion. Christians are called to live in active tension with culture, neither becoming complacent toward evil nor proponents of it but promoting the truth of God's revelation.[21] The current state of affairs in our society compels Christians to share in the responsibility for the tragedy upon us, to promote justice and propagate the promises of grace.[22] Christians have a responsibility to be involved in the legislative process of our democratic society for the purpose of guarding the freedom of the unborn. The Church also has the obligation to educate its own constitutents and society itself concerning the complex issues surrounding abortion and equip people with a biblical alternative.[24] God

has commissioned the Church to experience and express the redemption that is available in Christ Jesus. Therefore, it is precisely to those who are in trouble and despair that the Church has to present the message of forgiveness and redemption. Even those who have sinned must be sheltered by Christian love and assured that no one is beyond the scope of God's forgiveness.[25] The Church must also create alternatives and share the burden of caring for the lives of those brought into the world under difficult circumstances.[26]

May God's grace and wisdom prevail as we seek to work for an end to abortion.

POSITION PAPER ON PORNOGRAPHY AND OBSCENITY

The Conservative Congregational Christian Conference is aware of the widespread and harmful influence which pornography increasingly is having on our country. It has become clear to us that we can no longer remain idle while promoters of pornography contribute to the decline of the morals of society by advocating a lifestyle which is contrary to biblical teaching, is harmful to the family, and is ultimately destructive to individuals.

The word *pornography* is derived from two Greek words: *porne* which means "harlot," and *graphein* which means "to write." Originally, then, pornography referred to "the writing of harlots" *(pornographos)*. Today it refers to any explicit depiction of erotic behavior (as in pictures, photographs, writings, or books) which are intended to cause sexual excitement.

Pornography has its roots in the abuse of sexual expression. The New Testament makes it abundantly clear that a cardinal vice of the pagan world was impurity and immorality. The Apostle Paul pays special attention to the sinful behavior characteristic of the Gentile world, particularly the sins

of immorality and homosexuality (Romans 1:24-27). Sexual sins head up a list of sins which characterized a world that had sunk deep into the depravity of the flesh and of the spirit: the most fundamental sin being the rejection of God and His righteous ways (Romans 1:21,25,28,32). Today, in our secular and humanistic society, the biblically condemned forms of sexual immorality are not only tolerated but openly promoted as "alternate lifestyles" which should be accepted.

Standing in sharp contrast are the Scriptures which condemn fornication (Eph. 5:3;Col. 3:5), adultery (Lev. 20:10;Rom. 1:24), incest (Lev. 18:6;I Cor. 5:1), homosexuality (Lev. 20:13;Rom. 1:24), bestiality (Lev. 18:23), and prostitution (Lev. 19:29;Eph. 5:5). Also the Old Testament makes it clear that the presence of evil sexual practices was a major cause for God's judgment upon Sodom and Gomorrah (Gen. 19:5,13). Scripture tells us "it is God's will that you should be sanctified; that you should avoid sexual immorality; that each of you should learn to control his own body in a way that is holy and honorable, not in passionate lust like the heathen, who do not know God..." (I Thess. 4:3-5)

Pornography is one form of depraved man's insistence on explicit sexual activity. Pornography is known to visually depict, and by inference, to approve and encourage, most if not all of the earlier mentioned forms of sexual immorality. Pornography is especially degrading to women since most pornography involves the use of women in subordinate and degrading roles for the purpose of sexual exploitation. In many cases it fosters the mentality which considers women as only objects which exist to gratify the selfish and sometimes sadistic desires of men. Pornography is a form of profound hostility toward women.

In recent years, pornography has moved rapidly beyond adult scenes involving nudity and heterosexual intercourse to scenes which depict homosexuality, bestiality, and group sex orgies. Perhaps even worse is its exploitation of children. Our sensitivities are outraged at the degrading roles which children are called upon to perform. Often the result is permanent emotional damage to the child, and in some cases, death by murder. Today, "Kiddie Porn" is a fast growing and profitable segment of the pornography industry. Its focus is on children at an early or pre-adolescent age. For the sake of these children, this outrageous exploitation must stop.

Less explicit, but with the potential to be just as morally harmful, are the activities of our film and television industries. Too often the Judeo-Christian values which call for sexual faithfulness to one partner in marriage are either ignored or distorted. Too often the media seems determined to present adultery, incest, prostitution, and in some cases, homosexuality, as the normal way of life. The positive portrayal of Christians is also a missing ingredient in an industry which often claims to simply reflect that which is social reality or that which the public wants.

Through the use of "soft core" pornography, the television and film industries promote sexual values which are blatantly anti-Christian. Furthermore, many of the life-styles and values which are modeled on the screen work against the traditional community values of society. Media

values are often in direct contradiction to those life-styles and values which are modeled and proclaimed in the Scriptures as examples of holy living. Such holy living is pleasing to God and healthy for us.

We are deeply alarmed at the spread of all levels of pornography as modern technology is utilized. With the rise in popularity of cable television, video cassette recording, "dial-a-porn," and personal computers, the distribution of pornography is made even easier. As an industry it is now a multi-billion dollar business and is often linked to organized crime. This expanded access means increased availability in our homes to both adults and unsupervised children.

Those who indulge in pornography also may become victims as they experience a need for escalation. Much research indicates that pornography is both seductive and addictive. It desensitizes the viewer and creates an appetite for even more sexually explicit material. This addiction can happen to anyone who regularly opens himself to pornography's influence. Other documentation shows that pornography in some cases is linked to violence in sex related crimes such as rape or child abuse. This kind of perverted sexual activity is the result of a society which has come to believe that sex is simply another natural appetite and that it should be satisfied regardless of its manner of satisfaction.

It is time for Christians to wage war on pornogaphy. Churches and individual Christians can no longer remain silent. We must call individuals to repentance by rebuking their sin and we must speak prophetically of God's certain judgment upon a society which tolerates such activity. It is time to insist on legislation and firm enforcement of laws which would prohibit those few who would seek to make financial gain by exploiting the fallen nature of mankind. "Righteousness exalts a nation, but sin is a reproach to any people." (Prov. 14:34).

We call on the President of the United States, the Department of Justice, the Postal Service, and all proper authorities to enforce those laws and statutes which already exist against sexually explicit material. We call on local Christians and local churches to become involved in their individual communities. We take note that the Supreme Court has ruled that pornography is not protected by the First Amendment and that obscenity shall be determined by local community standards. Thus, it is that we believe this evil can be reduced, controlled, or eliminated if we the people and our elected officials refuse to tolerate its presence in our local communities.

In recognition of our obligation to uphold the righteousness of God, and recognizing that evil often exists because Christians too often remain silent, we, the Conservative Congregational Christian Conference, therefore:

ADOPT this position statement condemning pornography;

COMMIT ourselves to do everything we can to work toward the elimination of pornography in our society;

PLEDGE ourselves

— to reaffirm those scriptural principles which promote human dignity,
— to protect our families from sexual exploitation,
— to provide healthy roles for the expression of human sexuality,
— to pray that God will grant national repentance, to forgive our sin, and to deliver us from our national obsession with all forms of sexual behavior which deviate from His revealed will.

STATEMENT REGARDING MINISTERIAL STANDING OF WOMEN

The Conservative Congregational Christian Conference affirms certain doctrines and principles as basic to its existence and, therefore, non-negotiable in its practice. Among these are its commitment to the full Divine inspiration and authority of the Bible; the automonous polity of our local churches; and the importance of maintaining unity without denying diversity. Each of these three affirmations has been considered as vital to our position with regard to the ministerial standing of women in our Conference.

A significant amount of study has been done by evangelicals on this subject in recent years. It appears evident to us that Christians, equally committed to the authority of Holy Scripture, may disagree on whether or not the Scriptures allow for the ordination of women. We recognize that some defenders of women's ordination do so upon principles which sacrifice biblical authority. We in no way support such efforts. We affirm that persons who are firmly committed to the authority of God's Word, though they differ in their interpretations of the Word on this subject, are welcome to hold their convictions with clear conscience within our fellowship.

No church within our Conference is required to teach and practice a viewpoint, with regard to ordaining women, which is against the conviction of that particular assembly. Each congregation ordains whom it freely chooses, thus preserving its own autonomy. Whoever is duly ordained in a local church, whether male or female, may apply to the CCCC Credentials Committee and, if qualified, be recognized as ordained. This should not be understood as Conference approval nor disapproval of the ordination of women, but rather as recognition of the conscientious action of an autonomous congregation.

We urge, in this issue as in others, that members of the Conference relate to one another in a spirit of love and unity. Members are not asked to compromise their own convictions, but are asked to respect the right of others, who are also devoted to the Head of the Church and to His Word, to hold their own convictions as well.
